

Placement Exam Information

Important: Each Averett student must take the math and foreign language exam prior to attending orientation. These exams are available online now. Please use the instructions below:

Math Placement Exam

All new students (both freshmen and transfers) must complete the Math Placement Exam before Summer Registration. The results of this exam will be used to help place you into the appropriate math course. Scores on this exam will not affect math credits that are being transferred in, but students transferring math credits in should still take the exam.

Accessing Moodle

- Go to Averett's website (<http://www.averett.edu>)
- Click "*Student Tools*" (top of the Averett website)
- Click Moodle
- Click "Login"
- Enter your Username & Password

Accessing the Math Placement Exam:

Once you log onto, Moodle, you will see your courses listed on the right hand side. Click the exam you need to complete. Then click on "Instructions" to read the instructions for the exam. Students will only be enrolled in those exams that need to be completed.

Foreign Language Exam

All students must take a foreign language exam except for those students who have not taken foreign language in high school.

Foreign Language placement exam instructions:

1. Go to the website: <http://webcape.byuhtrsc.org/nwcregister.php>
2. Choose "Averett University" from the drop-down menu
3. Enter the password: ModLang
4. Select "French" or "Spanish" from the drop-down menu and select "Begin"
5. Enter First, Last name and averett email address and click "Continue"
6. Take the test to the best of your ability (remember, this is for accurate placement, not a grade)!
