

Health History Immunization & Physical Form

Virginia State law (code 23-7.5) requires **all students** to submit a completed Health History and Immunization record. **All students** must have primary insurance coverage through their own insurance provider OR accept the policy offered by Averett University. **Please see information attached in regards to AU insurance.**

Dear AU Cougar:

Averett University would like to take this opportunity to welcome you to AU. We look forward to an exciting year. We understand that this is a busy time for new and returning college students; however, the following Health Form paperwork **must** be completed before the school year begins. Please schedule an appointment with your doctor for your admission health evaluation and/or your athletic physical soon.

All full-time students, as well as any student eligible for services, are responsible for returning your Health Evaluation Form to AU. **This form will not be accepted if the physician completing and signing the form is a family member.**

Previously enrolled students, who are reentering as full-time students, after an absence from campus of greater than 2 years must update their health form to meet current standards. If the absence is greater than 6 years, the entire form requires resubmission.

For those seeking religious exemption, a Certificate of Religious Exemption (Form CRE-1) is the only form accepted.

Omission or misrepresentation of pertinent medical information is a violation of the honor system.

FAILURE TO COMPLETE THIS REQUIREMENT WILL RESULT IN A “HOLD” BEING APPLIED TO YOUR ACCOUNT AS WELL AS LATE FEES OF \$100 ON AUGUST 26 FOR SUMMER/FALL ADMISSION OR ON JANUARY 13 FOR SPRING ADMISSION.

ALL STUDENTS at Averett University must complete the Health Form. Mail these documents to the Director of Health and Wellness and maintain a copy for your personal records. ***Attach a copy of the front and back of insurance card***
